

Declaration of Conformity

Jan 10, 2018

Re: RoHS EU Directive 2015/863 (RoHS EU Directive 2011/65 inclusive)

Fuyuka Electronics Limited is committed to protecting the environment and with the European Directive 2015/863 regarding the Restriction of Hazardous Substances (RoHS). These Regulations implement EU Directive 2015/863 which bans the placing on the EU market of new electrical and electronic equipment containing more than agreed levels. This legislation restricts the sale of electrical and electronic equipment throughout the entire EU territory after July 1st. 2006.

We confirm that we have reviewed and are familiar with the EU Directive 2015/863 (RoHS EU Directive 2011/65 inclusive). We declare that our Fuyuka components/products supplying to all customers worldwide comply with RoHS Directive 2015/863 and do not contain any materials of:

- * Lead, Cadmium, Mercury
- * Hexavalent chromium, Polybrominated biphenyl (PBB), Polybrominated diphenyl ether (PBDE)
- * DEHP, BBP, DBP and DIBP, flame retardants and other restricted substances in amounts greater than the allowed Maximum Concentration Limits (MCV's).

We further understand that the list of restricted substances under EU Directive 2015/863 may be updated on a regular basis. We will continuously monitor this list and all updates thereto. In the event that a restricted substance is added to the list or there is any change in the permissible levels of restricted substances on the list, we will in time determine our usage of such substances in all components/products we supply to customers and update customers in writing of such results each time this occurs.

Should you have any questions or concerns regarding this declaration, please do not hesitate to contact us.

Yours faithfully

Fuyuka Electronics Limited
